**VERIFIED COMPLAINT AND PETITION FOR TEMPORARY
AND PERMANENT INJUNCTIVE RELIEF**

Relators State of Ohio, ex rel. City of Euclid Director of Law, Kelley A. Sweeney, and the City of Euclid, by and through Counsel and for their Complaint state as follows:

THE PARTIES

1. The City of Euclid is a municipal corporation of Cuyahoga County, State of Ohio, organized and operating under Article XVIII, Section 3, of the Constitution of the State of Ohio and a Charter duly adopted by its citizens.
2. Relator Kelley A. Sweeney is the duly-appointed, sworn, and acting Director of Law for the City of Euclid, Ohio and is a party charged at both common law and Ohio Revised Code 3767.03 with the prevention, prosecution, and abatement of any public nuisance within the City of Euclid, Cuyahoga County, Ohio.
3. Relator Bo-Den, LLC is the owner of the property located at 22466 Shore Center Drive, Euclid, Ohio, Cuyahoga County Permanent Parcel Number 644-26-009, (hereinafter “Premises”).
4. Per the Ohio Secretary of State’s database, Dennis Morgan is the statutory agent for Relator Bo-Den, LLC.
5. Relator Mig’s Pla-Mor Roller Rink is a roller rink that is operated at 22466 Shore Center Drive, Euclid, Ohio.
6. Per the Ohio Secretary of State’s database, Relator Mig’s Pla-Mor Roller Rink does not appear to be a business registered with the Ohio Secretary of State but is known by Relator to be operating at 22466 Shore Center Drive, Euclid, Ohio.

7. Relator Miguel Sanders is the owner and/or operator of Mig's Pla-Mor which said business is operated at 22466 Shore Center Drive, Euclid, Ohio.
8. All Respondents are presently, and have been at all times relevant to this action, a property owner, business owner, manager, occupant in charge, care or control of the Premises, presently doing business as Mig's Pla-Mor Roller Rink.

JURISDICTION

9. The allegations contained in Paragraphs 1 through 8 are incorporated into this Paragraph by reference.
10. This Complaint concerns enforcement of the Ohio Revised Code Chapter 3767, *et seq.*, other code provisions, and common law so as to be within the jurisdiction of the Cuyahoga County Court of Common Pleas.
11. Ohio Revised Code §3767.01 *et seq.* authorizes the Director of Law of a municipal corporation to bring an injunctive relief action to stop nuisance activity at a premises.
12. This matter is brought under R. C. §3767.01 *et seq.*, by Kelley A. Sweeney, in her official capacity as the Director of Law for the City of Euclid, Ohio.
13. The real property that is the subject matter of this Complaint is located at 22466 Shore Center Drive, Euclid, Ohio, and bears Cuyahoga County Permanent Parcel Number 644-26-009.

COUNT ONE: ORC CHAPTER 3767 NUISANCE VIOLATIONS

14. The allegations contained in Paragraphs 1 through 13 are incorporated into this Paragraph by reference.

15. Mig's Pla-Mor has a general reputation for fights and disturbances. All of these incidences which will be further described below occurred in and on the Premises or within 1,000 feet of the premises by patrons of Mig's Pla-Mor. This establishment constitutes a nuisance to the community.
16. Euclid Police Department high ranking supervisors, Euclid Fire Department Fire Prevention Bureau Captain Pellegrino, Chief Building Official Foulkes, along with the undersigned Counsel for the City of Euclid, met with Respondent Miguel Sanders on March 5, 2019 for the purpose of discussing ways and methods of ensuring the safety of the patrons of Mig's Pla-Mor, discussing occupancy load and attempting to ensure Sanders' compliance with local codes regarding event permits.
17. Despite the safety and security suggestions made and directives given by City of Euclid administration, Respondents failed to employ these measures or comply with local code regarding event permits thus subjecting patrons, police officers, residents and local businesses to harm.
18. R.C. §3767.01(C)(1) defines a nuisance as: "that which is defined and declared by statutes to be a nuisance."
19. Euclid Codified Ordinance 529.07 defines certain criminal activity to be a nuisance.
20. Specifically pertaining to Mig's Pla-Mor, any peace disturbance violation under Chapter 545 of the Euclid Codified Ordinances is considered a nuisance.
21. Peace disturbances that have occurred at Mig's Pla-Mor include, but are not limited to: Riot (ECO 545.01), Failure to Disperse (ECO 545.02), Disorderly Conduct (ECO 545.04), Unnecessary Noise (545.10), and Minors Curfew (ECO 545.14).

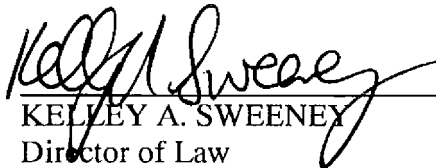

22. Euclid Police Department members have, on a regular basis, responded to Mig's Pla-Mor regarding numerous complaints of fights, disturbances, theft and loud music in and around the premises. A copy of a Euclid Police Department Dispatch Log for 6/13/17 through 6/13/19 is attached hereto as Exhibit A.
23. On the following dates, reports of theft were made: 7/20/17 (two reports), 8/19/17. See Exhibit A.
24. On the following dates, reports of loud music were made: 11/10/17, 11/16/17 and 2/10/19. See Exhibit A.
25. On the following dates, reports of disturbances and/or fighting were made: 7/22/17, 8/5/17, 9/2/17, 10/21/17, 1/5/19, 2/13/19, 2/23/19, 5/11/19, 6/8/19 and 6/12/19.
26. Any violation of offenses relating to persons under Chapter 537 of the Euclid Codified Ordinances (except domestic violence, 537.17) is considered a nuisance.
27. Offenses relating to persons that have occurred at Mig's Pla-Mor include, but are not limited to: Assault (ECO 537.02), and Safety of Crowds Attending Live Entertainment Performances (ECO 537.18).
28. Many violations of offenses relating to property under Chapter 541 of the Euclid Codified Ordinances are considered a nuisance.
29. Offenses relating to property that have occurred at Mig's Pla-Mor include or at surrounding businesses within 1,000 feet of Mig's Pla-Mor include, but are not limited to: Criminal Damaging or Endangering (ECO 541.10), Criminal Mischief (ECO 541.11), and Criminal Trespass (ECO 541.12).
30. Mig's Pla-Mor advertised an event called "End of School Year Banger" for June 12, 2019. See flyer attached as Exhibit B.

31. The flyer depicts two individuals in roller skates laying on the floor surrounded by red solo cups that seems to depict that they are passed out drunk. See Exhibit B.
32. On June 12, 2019, the Euclid Police Department was called to Mig's Pla-Mor for large disturbance, unruly juveniles and occupancy issues at the Premises. See EPD Reports 19-3487, 3488, 3489 and 3491 attached hereto as Exhibits C-F respectively.
33. According to these reports, Euclid Police Department responded to Mig's Pla-Mor for a report of several hundred juveniles outside causing a disturbance. The skating rink was at maximum capacity and police had to shut down the rink due to several fights outside the business. See Exhibit C.
34. Another Euclid Police Department officer described the scene as riotous and they were finally able to gain control of the situation after three (3) hours. See Exhibit D.
35. Euclid Police Department Officer Frato estimated about 1,000 persons in attendance. Inside the roller rink was at maximum capacity (440) and there were approximately another 500 persons outside the rink. See Exhibit E.
36. Euclid Police Department requested mutual aid from neighboring law enforcement agencies such as Willowick, Wickliffe, Cuyahoga County Sheriff, and the Ohio State Highway Patrol. See Exhibits E-F.
37. Multiple fights broke out in the crowds. Police were forced to use OC spray and pepper balls to disperse the large crowds that refused to leave the premises. See Exhibits C-F.
38. Subsequent calls were received from neighboring businesses such as CVS, Dave's Supermarket, Paragon Restaurant, Walgreens, and Gas Mart about juveniles running through the respective stores, causing destruction, breaking glass, and blocking traffic.

39. The Euclid Fire Department also assisted the Euclid Police Department on June 12-June 13 in this incident. Their assistance was requested and needed for crowd control and ensuring compliance with occupancy loads. See EFD Report attached hereto as Exhibit G.
40. City of Euclid Administration received another flyer on June 13, 2019 advertising an event on June 14-15, 2019. See Flyer attached as Exhibit H.
41. The event details indicated on this flyer would violate a number of Euclid Codified Ordinances to include minors curfew (ECO 545.14), providing tobacco to minors (ECO Chapter 1179), and hours of operation of the business (ECO Chapter 1359).
42. Realtor Sanders has also not applied for a permit, including engaging Euclid Police Department members as security, to hold the event per ECO Chapter 761.
43. The Euclid Police Department spends a great deal of time responding to this particular business, Mig's Pla-Mor. It is a very troublesome establishment in the City of Euclid which requires that EPD expend much more manpower and man-hours than most other establishments in the City of Euclid due to the number of complaints received.
44. The Euclid Police Department Dispatch Log and Incident Reports described above and attached hereto conclusively demonstrate that, at all relevant times, the Premises is a nuisance as defined by R.C. §3767.01.
45. Unless restrained by this Court's order, Respondents, and all others similarly situated and inclined, will continue to create a nuisance by their presence at 22466 Shore Center Drive, Euclid, Ohio.
46. ORC §3767.03 mandates that the City is not required to post a bond.

19-03487

Police responded to the area of Pla-Mor skating rink for a report of several hundred juveniles outside causing a disturbance. The skating rink was at maximum capacity and police had to shut down the skating rink due to several fights outside and inside of the business.

As police were getting juveniles outside of the business, I, P.O. Studly #49 observed a crowd of approximately 10 male and female juveniles fighting. I deployed approximately 10-15 pepperballs at the crowd and several of the juveniles ran off. Two remaining people, later identified as Nicole Hurst and Tyonna Lindsey, continued to fight on the ground. I gave loud verbal commands to stop with negative results. I then deployed an additional 5 rounds of pepperball with negative results. At this time, P.O. Edington #79 assisted me in separating the parties fighting. Both Hurst and Lindsey were placed under arrest for disorderly conduct.

Hurst suffered a bloody nose in the fight and was transported to EGH for evaluation. Hurst's injury was not related to EPD force. Lindsey was not injured and released on scene to her aunt, later identified as Courtney Campbell. Lindsey's mother, Charisse Lee was advised of the incident.

Hurst was cited for disorderly conduct and released at the hospital. She was given a court date of 06/27/2019. A juvenile fact sheet was completed on Lindsey for disorderly conduct. 3 separate response to resistance forms were completed. This incident related to 19-03488. Nothing further at this time.

Police were called to Playmor Skating Rink for approximately 300-400 juveniles outside the building. Police arrived and found approximately 500 juveniles outside the building, attempting to make entry into the 440 occupancy building. While Police were on scene approximately 500 more juveniles showed up and numerous fights broke out in the line. Police requested the assistance of the Fire Department to ensure the safety of the patrons. Police and Fire assisted the business in counting the occupancy of the building. After the maximum capacity was reached the remaining 500 people were told to leave and refused to do so. Due to their noncompliance and multiple fights breaking out Police were forced to use less than lethal munitions. OC Spray and Pepper Balls were used and failed to restore order. Euclid Police were unable to restore order so mutual aid was requested. Wickliff, Willowick, the Cuyahoga County Sheriff's Office and the Ohio State Highway Patrol responded. With the assistance of approximately fifteen other Policeman Playmor was shut down and its patrons were told to leave. Again the patrons refused to leave and fights broke out

Title / Subject: RIOTING

19-03488

On Wednesday June 12, 2019, I was dressed in the Euclid Police Department patrol uniform of the day, assigned to police cruiser #19. Around 2132 hours, Police were dispatched to 22466 Shore Center Drive (Playmor Skating Rink) for approximately 300-400 juveniles gathering outside the building.

Upon arrival I saw approximately 500 juveniles gathering outside the building. I spoke to an unidentified juvenile and asked the reason for the large gathering. The juvenile told me Playmore was having a skating event and was about to open the doors to let people in. After making my way through the crowd I spoke to an unidentified unarmed security guard who was allowing people into the building. I asked the security guard how many security guards were working the event, he told me 3 unarmed guards. I further asked if they had Euclid Police working the event, he told me no. After speaking to the security guard I verified the buildings maximum occupancy as 440 and exited the building to speak to other officers.

Sgt. Kocsis was notified about the information I gathered and all available Euclid Police were requested. While Police were gathering on scene approximately 500 more juveniles showed up in hopes to enter the venue. The Fire Department was requested to assist in counting the occupancy of the building. While the Fire Department was on scene numerous fights broke out in the line that lead to the entrance. Due to Police being outnumbered OC Spray and Pepper Balls were used to disperse the fights. Once the fights were broken up Police and Fire assisted the business in counting the occupancy of the building. When the maximum capacity was reached the remaining approximate 500 people were told to leave and refused to do so. Due to their noncompliance and additional fights breaking out throughout the entire city block, Police were again forced to disperse OC Spray and Pepper Balls to restore public order.

Euclid Police were unable to restore order so mutual aid was requested. Approximately fifteen additional Police Officers responded from Wickliffe, Willowick, the Cuyahoga County Sheriff's Office and the Ohio State Highway Patrol responded. With the help from outside agencies Playmor was told to close for the night and had its patrons exit the building. Some patrons refused to leave and caused fights to break out. Police again were forced to disperse OC Spray and Pepper Balls. After three hours of rioting Police took control of the scene. Four subjects were placed under arrest.

See report 19-3487, 19-3489 and 19-3491 reference the arrest of the four subjects. See supplements by Ptl. Studly, Ptl. Flagg, Ptl. Leyde and Ptl. Gilmer reference Response to Resistance Forms.

Title / Subject: SUPPLEMENTAL INFORMATION

19-03488

On June 12, 2019, I was informed upon my arrival to work that officers were dealing with a situation at the Pla-Mor Roller rink. Apparently an event was advertised and several hundred people were trying to get in. Officers were trying to maintain crowd control. Euclid Fire was on scene checking capacity.

Upon my arrival to the scene, several hundred people were outside the building. Several were crowded around the doors to the business. People were in and around all the neighboring business. Cars were parked in the lots at Dave's Supermarket, Burlington Coat Factory and other businesses. Multiple people were walking in the roadway. The majority of the people outside were juveniles aged 13-17 years old. Several adults and parents/guardians were on scene as well.

In speaking with the officers that were already on scene, they advised me that they had already broken up several fights and had to deploy pepperballs to disperse the crowds. No arrests had been reported as of that time. The fire department advised that approximately 200+ people were already inside and they were allowing persons to enter until the building reached capacity.

Officers maintained a presence due to the large crowd. Cuyahoga County Sheriffs and additional agencies were present on scene to assist in the crowd control. Once I was informed that the capacity had been nearly reached (approximately 20 more people could get in) I advised officers to begin clearing the crowds, that no one else would be allowed inside. For several minutes I began yelling in to the crowd that the business was full and they needed to clear the area. Most of the crowd was refusing to move or leave the area. Again, fights began to break out sporadically. Many people wanted to argue, stating relatives etc were inside and pleading to be allowed in. Officer Gilmer #18 made multiple announcements to clear the area and the failure to disperse could result in arrest or force being used against them. Still the crowds refused to clear from the. I tried multiple times to clear the area in front of the business to no avail. Multiple officers were standing with me by the front doors when someone threw a bottle from the crowd at police.

Fearing that we were losing control of the situation and now having items thrown at us, I continued announcing for everyone to clear the area. I checked that the wind was to our backs and utilized the OC (Pepper spray) fogger that I had on me to disperse the crowd from the front doors and off the street directly in front of the business. I sprayed a burst of OC in a high arching pattern over the crowd. The OC had the desired effect and several of the people began to run away and walk away from the area. After deploying the spray, officers continued to walk the crowds, disperse crowds where they gathered and break up any fights as they popped up. Parties were continually reminded to call for rides or, if they had brought themselves to clear the area.

As the crowds outside were dispersing, I received word multiple times from additional officers as they arrived on scene and from calls made with the OIC that the police administration wanted the event shutdown completely to include the participants inside. I spoke with Sgt. Kocsis and Lt. Styles who advised to close down the event. I announced over the radio and had officers enter the venue and advise the management that the event was being shutdown. Officers began clearing the parties from inside the building. As they were exiting, they were advised to clear the property and make arrangements for rides.

Due to the crowd of individuals (Approximately 440) now being put out of the event venue, fights again began to pop up and people became disorderly, arguing and yelling at police. There were several instances of angry parents or guardians voicing their displeasure with the officers for cancelling the event and forcing the kids out on the street.

Police attempted to assist the kids in directing them to E. 222 St and Babbitt to arrange to have their rides pick them up there to avoid additional crowds from congregating in front of the business and off the street. Unfortunately several fights continued and disorderly behavior continued resulting in arrests and additional uses of force (See reports 19-03487; 19-03489; 19-03491).

Neighboring businesses were calling for assistance due to the crowds arriving. Police received requests for

assistance from Walgreen's for kids running through the store throwing things around, CVS, Paragon, alarms were received at Gas Mart and the manager of Wendy's requested assistance closing the dining room. Multiple units from the Sheriff's office and Ohio State Highway Patrol arrived on scene to assist.

Once the crowds were dispersed and the fights were quelled, Euclid Officers were advised to start checking and assisting the remaining children and groups in the area by calling for rides and making sure that they were ok.

The crowds were eventually dispersed completely and police cleared the area.

I completed a RTR (response to resistance form) for my deployment of OC pepperspray in order to disperse the crowd in front of the Pla Mor Roller Rink.

I activated my personal body camera shortly after arrival to the scene and attempted to let it run. At one point the camera was torn from my vest during an arrest by other officers. The camera had to be shut off and turned back on after I was able to reattach it to my vest. That video footage was downloaded to the DIMS server.

Police were called to Playmor Skating Rink for a large group of juveniles gathering outside the building. A riot broke out, which forced Police to shut down Playmor. After Police closed the business numerous fights broke out. As Police broke up a fight between two females, a group of juveniles approached Police from their backs. The group was told to back up, cursed at Police and refused to comply. Due to their non compliance OC Spray was dispersed. A juvenile male refused to back up, fought with Police and was placed under arrest. The juvenile was turned over to a family member.

Title / Subject: RIOT / ASS ON P.O.

19-03489

On Wednesday June 12, 2019, I was dressed in the Euclid Police Department patrol uniform of the day, assigned to police cruiser #19. Around 2132 hours, Police were dispatched to 22466 Shore Center Drive (PlaMor Skating Rink) for approximately 300-400 juveniles gathering outside the building.

Upon arrival I saw approximately 500 juveniles gathering outside the building. I spoke to an unidentified juvenile and asked the reason for the large gathering. The juvenile told me PlaMor was having a skating event and was about to open the doors to let people in. After making my way through the crowd I spoke to an unidentified unarmed security guard who was allowing people into the building. I asked the security guard how many security guards were working the event, he told me 3 unarmed guards. I further asked if they had Euclid Police working the event, he told me no. After speaking to the security guard I verified the buildings maximum occupancy was 440 and exited the building to speak to other officers.

Sgt. Kocsis was notified about the information I gathered and all available Euclid Police were requested. While Police were gathering on scene approximately 500 more juveniles showed up in hopes to enter the venue. The Fire Department was requested to assist in counting the occupancy of the building. While the Fire Department was on scene numerous fights broke out in the line that lead to the entrance. Due to Police being outnumbered OC Spray and Pepper Balls were used to disperse the fights. Once the fights were broken up Police and Fire assisted the business in counting the occupancy of the building. When the maximum capacity was reached the remaining approximate 500 people were told to leave and refused to do so. At this time Ptl. Gilmer used a police cruiser's loud speaker public address system to tell people the business was no longer allowing people in and ordered them to leave the area or else they were subject to being arrested. Most defied his orders and remained on scene. Due to their noncompliance and additional fights breaking out throughout the entire city block, Police were again forced to disperse OC Spray and Pepper Balls to restore public order.

Euclid Police were unable to restore order so mutual aid was requested. Approximately fifteen additional Police Officers responded from Wickliffe, Willowick, the Cuyahoga County Sheriff's Office and the Ohio State Highway Patrol. With the help from outside agencies Playmor was told to close for the night and had it patrons exit the building. Some patrons refused to leave and caused fights to break out. Police again were forced to disperse OC Spray and Pepper Balls.

After Playmor was closed I saw a fight between two females take place approximately twenty yards from the front door of Playmor, where Police were visibly located. When Ptl. Studly interdicted to break up the fight, I saw him fall to the ground. While Ptl. Studly's was attempting to handcuff his combative subject, a group of 10 juveniles began running towards him. At the time Ptl. Studly's back was towards the approaching group so he was unaware of their presence. To ensure they would not intervene in the arrest or assault Ptl. Studly I ran to his location.

Once at his location I gave numerous loud commands for the group to "stop", "back away" and "if you do not back away you will be pepper sprayed". I knew the group heard my commands because I heard some reply "fuck you" and "we don't have to listen to you". Due to their non compliance pepper spray was dispersed at them and over their heads. All but one juvenile male backed away. The non compliant juvenile was later identified as, Jahseem Sales. Jahseem was given another set of commands and ignored them by coming towards me and stating "fuck you". At this point I placed my left palm on Jahseem's chest to stop him. Jahseem slapped my hand out of his way and used both of his hands to push me away from him.

After being assaulted I grabbed onto Jahseem to place him under arrest. Jahseem then threw a punch at me, which struck me in my chest. Jahseem was then moved off balance and was brought to the ground. While on the ground Jahseem was told to stop resisting, how ever he continued to try to get up to fight me. With the assist of other officers I was able to forcibly place Jahseem into handcuffs. Jahseem was then brought to the lobby of Playmor to be identified. Jahseem was identified and his mother, Cozzetta Ragland was called. Cozzetta was informed about the incident, her son's charges and was told to pick her juvenile son up. Cozzetta told Police she was unable and had her sister, Debra Hunter pick her son up. Soon after Debra arrived and took custody of Jahseem.

A Juvenile Fact Sheet and Response to Threat Form was completed by me. A copy of this report was forwarded to the Juvenile Bureau.

The Euclid Police Department responded to the Pla Mor Skating Rink for approximately 1000 juvenile / adults for a private party. There was multiple fights and crowds were ordered over loud speakers to disperse. I observed a juvenile in a pair of white shoes, blue jeans and a light blue collared shirt walking with a group of juveniles that were ordered to disperse. Police ordered the juvenile to stop and he fled from police on foot. Police located the male at Lakeshore Blvd. and E. 228th St. and he was ordered to ground. The male resisted arrest. The male

Title / Subject: RESISTING ARREST

On June 12, 2019 at approximately 2139 hours, I, Ptl. Gilmer was in a fully marked Euclid Police Cruiser, dress in the uniform of the day and assigned to car 10. Euclid Police were dispatched to the Pla Mor Skating Rink, 22466 Shore Center Drive for approximately 400 juveniles and adults loitering outside of the business. It should be noted that was in addition to the 440 juveniles inside the skating rink. Police observed that several fights had already broken out amongst the crowds and were dispersing the crowds. I made multiple announcements over EPD car 1 and EPD car 10's loud speaker that the crowds were to disperse immediately or be placed under arrest.

It should be noted that the Euclid Police requested mutual aid and the Cuyahoga County Sheriff's Office, Ohio State Highway Patrol, Willowick Police, Wickliffe Police and two full Euclid Police shifts were on scene, attempting to gain control of the crowds that were causing disturbances throughout the north side of the city. On June 13, 2019 at approximately 0020 I observed a group of juveniles outside of Dave's Supermarket, 22501 Shore Center Dr. I pulled along side a group of juveniles and advised them the business was not open and to leave. The juveniles did not comply.

One of the juveniles, later identified as Joseph Littlejohn stated, "I work here sir" and started to walk towards the doors of Dave's entrance. Joseph laughed as he walked to the doors and turned away. I observed that Joseph was wearing white shoes, camouflage pants and a light blue collar shirt. Joseph is 5'09 and approximately 205 pounds. I opened the door of my police cruiser to make contact with Joseph when I heard him say, "He isn't shit". I ordered Joseph to "Stop, come here" and Joseph fled from me on foot. I pursued Joseph on foot across the parking lot of Dave's, north east towards Atlas Cinema, 22624 Lakeshore Blvd. I discontinued the pursuit and returned to my patrol vehicle. Joseph continued to look back at police and laugh as he ran east bound.

As I continued to patrol the area, I observed Joseph walking with two females, north on E. 228th St. at Lakeshore Blvd. I exited my patrol vehicle and ordered Joseph to get down on the ground and place his hands behind his back. Joseph initially complied with my lawful orders and got onto his stomach. When I went to place handcuffs onto Joseph he pushed off the ground and threw me off of him. Joseph tensed his muscles as he pulled away from me and stated, "Man what are you doing, get off me man". I ordered Joseph multiple times to stop pulling away and he did not comply. Joseph started to flail his arms so that I could not gain control of him. I ordered Joseph to get on the ground multiple times and he did not comply. I requested other Euclid Police respond to my location.

Do to Joseph's size and strength difference, I used my OC pepper spray to gain compliance. Joseph turned away as I deployed my OC pepper spray to his back and head. I again attempted to secure Joseph by taking him to the ground however he pushed me away from him and ran behind my police cruiser in an attempt to flee. I was able to take Joseph to the ground where I was able to use non compliant handcuffing to gain control of Joseph's arms. A large crowd of juveniles were starting to form around me and Joseph as additional Euclid officers arrived on scene.

Ptl. Eddington placed Joseph in the back of his police cruiser. I requested an ambulance for Joseph and I do to OC pepper spray exposure. Euclid Fire and Rescue 1341 arrived on scene and checked both Joseph and I out. Joseph was transported back to the Euclid Police Department and secured in a holding cell. I made contact with Joseph's grandfather, David Holcomb. David came to the Euclid Police Department and signed a juvenile fact sheet for Joseph. Joseph was walked to the Euclid Police Department Lobby where he admitted to David

about running from me and resisting arrest. David stated, "I was scared, that is why I resisted".

I spoke to Joseph's mother, Tonesha Littlejohn and explained the situation. I completed a juvenile fact sheet for Joseph Littlejohn. The charges are Riot, fail to disperse, disorderly conduct, resisting arrest and obstructing official business. A copy of this report has been forwarded to the juvenile detective bureau. EPD car 10's dashcam recorded the incident. Nothing further.
